

MALTA JOINED THE EUROPEAN UNION IN 2004 AND HAS BEEN ENJOYING STABLE POLITICAL CLIMATE AND MAINTAINING ECONOMIC GROWTH.

Malta Citizenship by Investment programme is the first European Union approved citizenship programme. **It provides Maltese Citizenship in just 12 months.** Maltese passport holders enjoy the freedom to live, work and travel throughout the whole of Europe.

The scheme provides Maltese citizenship to the investor, their married spouse, children and parents and grandparents.

Benefits:

- Malta is an EU Country, therefore becoming a Maltese Citizen, you will also be an EU Citizen, which will allow you the freedom of travel to and living in all EU countries;
- Chance to become an EU Citizen in just **12 months**;
- Visa free travels to more than **160 countries**, including USA, Canada and Australia;
- During the first 12 months, the chance of Visa-free travel to **the Schengen countries**;
- You, your spouse and your dependent children can live, work and attend schools/universities in Malta or in any EU Country;

- No extra tax on your income either in your home country or any other country;
- No maximum age limit;
- No maximum residency requirement;
- You don't need to reside in Malta;
- Malta allows dual citizenship.

How can I apply?

To be eligible you must:

- Be at least 18 years of age; and
